Dear Sir/Madam

PROPOSED ADOPTION OF SHARE PURCHASE MANDATE

1. INTRODUCTION

- 1.1 The Companies Act allows a Singapore-incorporated company to purchase or otherwise acquire its issued ordinary shares, stocks and preference shares if the purchase or acquisition is permitted under the company's constitution. Any purchase or acquisition of Shares by the Company must be made in accordance with, and in the manner prescribed by the Companies Act, the Constitution and such other laws and regulations as may, for the time being, be applicable. As the Company is listed on Catalist, it is also required to comply with Part XI of Chapter 8 of the Catalist Rules, which relates to the purchase or acquisition by an issuer of its own shares. Regulation 16(B) of the Constitution expressly permits the Company to purchase or otherwise acquire its issued Shares. If approved at the EGM, the Share Purchase Mandate will take effect from the date thereof and continue in force until the date of the next annual general meeting of the Company or otherwise as set out in Section 2.2 below. The proposed renewal of the Share Purchase Mandate may be tabled at each subsequent annual general meeting of the Company for Shareholders' approval.
- 1.2 It is a requirement under the Companies Act and the Catalist Rules that a company which wishes to purchase or otherwise acquire its own shares should obtain approval of its shareholders to do so at a general meeting. Accordingly, the Directors are convening the EGM to be held on 24 October 2023 to seek Shareholders' approval for the proposed adoption of the Share Purchase Mandate.
- 1.3 The purpose of this Circular is to explain the reasons for and to provide Shareholders with information relating to the proposed adoption of the Share Purchase Mandate, and to seek Shareholders' approval at the EGM to be convened on the same date as, and following the conclusion of, the FY2023 annual general meeting of the Company.
- 1.4 The Company has appointed Vincent Lim & Associates LLC as the legal adviser to the Company on Singapore law in relation to the proposed adoption of the Share Purchase Mandate.

LETTER TO SHAREHOLDERS

2. THE PROPOSED SHARE PURCHASE MANDATE

2.1 Rationale for the Share Purchase Mandate

The approval of the adoption of the Share Purchase Mandate authorising the Company to purchase or acquire its Shares would give the Company the flexibility to undertake share purchases or acquisitions up to the limit described in Section 2.2 below at any time, subject to market conditions, during the period when the Share Purchase Mandate is in force.

The rationale for the Share Purchase Mandate includes the following:

- (a) The Share Purchase Mandate would provide the Company with a mechanism to facilitate the return of surplus cash over and above its ordinary capital requirements and investment needs to its Shareholders in an expedient and cost-efficient manner.
- (b) The purchase or acquisition of Shares under the Share Purchase Mandate is one of the ways in which the return on equity of the Company may be enhanced, thereby increasing Shareholders' value.
- (c) The Share Purchase Mandate will allow the Directors to exercise greater control over the Company's share capital structure, dividend policy and cash reserves, with a view to enhancing the net tangible assets and/or earnings per Share.
- (d) The purchase or acquisition of Shares under the Share Purchase Mandate will help to mitigate short-term share price volatility by stabilising the supply and demand of issued Shares and offset the effects of short-term share price speculation, thereby supporting the fundamental value of the issued Shares and bolstering Shareholders' confidence.
- (e) The Share Purchase Mandate will allow the Directors to effectively manage and minimise any dilution impact associated with any share-based incentive scheme of the Company.

The purchase or acquisition of Shares will only be undertaken if the Directors believe that it can benefit the Company and Shareholders. Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Purchase Mandate may not be carried out to the full limit as authorised. No purchase or acquisition of Shares will be made in circumstances which would have or may have a material adverse effect on the public float, orderly trading of Shares, liquidity of Shares or the financial position of the Company and the Group or result in the Company being delisted. The Directors will use their best efforts to ensure that after a purchase or acquisition of Shares pursuant to the Share Purchase Mandate, the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or adversely affect the orderly trading and listing status of the Shares on the SGX-ST.

LETTER TO SHAREHOLDERS

2.2 Authority and Limits of the Share Purchase Mandate

The authority and limitations placed on purchases or acquisitions of Shares by the Company under the proposed Share Purchase Mandate, if approved at the EGM, are summarised below:

(a) *Maximum Number of Shares*

The Company may purchase only Shares which are issued and fully paid-up. The total number of Shares that may be purchased or acquired by the Company is limited to that number of Shares representing not more than 7% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) as at the date of the EGM at which the resolution authorising the Share Purchase Mandate is passed (the “**Approval Date**”), unless the Company has thereafter, at any time during the Relevant Period, reduced its share capital in accordance with the applicable provisions of the Companies Act, in which event the total number of issued Shares of the Company shall be taken to be the total number of issued Shares as altered (excluding treasury shares and subsidiary holdings).

In view that the percentage of issued Shares in the hands of the public as at the Latest Practicable Date is 19.25%, the Company is of the view that the limit of 7% (as opposed to the full limit of 10% allowed by the Catalist Rules) under the proposed Share Purchase Mandate would ensure sufficient public float and market liquidity, and will not adversely affect orderly trading or the Company’s listing status.

For illustrative purposes only, based on the issued share capital of the Company as at the Latest Practicable Date of 214,000,000 Shares (with no treasury shares or subsidiary holdings), and assuming that no new Shares are issued on or prior to the date of the EGM, not more than 14,980,000 Shares, representing 7% of the issued Shares as at that date, may be purchased or acquired by the Company pursuant to the Share Purchase Mandate.

While the Share Purchase Mandate would authorise the purchase or acquisition of Shares up to the 7% limit, Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Purchase Mandate may not be carried out up to the full 7% limit as authorised, or at all. In particular, no purchase or acquisition of Shares would be made in circumstances which would have or may have a material adverse effect on the public float, liquidity or orderly trading of the Shares and/or financial position of the Group, or result in the Company being delisted.

(b) *Duration of Authority*

Purchases or acquisitions of Shares may be made, at any time and from time to time, from the Approval Date up to the earliest of:

- (i) the date on which the next annual general meeting of the Company is held or is required by law to be held;
- (ii) the date on which the purchase or acquisition of Shares have been carried out to the full extent of the Share Purchase Mandate; or
- (iii) the date on which the authority conferred by the Share Purchase Mandate is varied or revoked by an ordinary resolution of Shareholders in a general meeting.

LETTER TO SHAREHOLDERS

The authority conferred on the Directors by the Share Purchase Mandate to purchase or acquire Shares may be renewed at the next annual general meeting or at an extraordinary general meeting of the Company to be convened immediately after the conclusion or adjournment of the next annual general meeting. When seeking the approval of the Shareholders for the renewal of the Share Purchase Mandate, the Company is required to disclose details pertaining to purchases or acquisitions of Shares made pursuant to the Share Purchase Mandate during the previous 12 months, including the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such purchases of Shares, where relevant, and the total consideration paid for such purchases or acquisitions.

(c) *Manner of Purchase or Acquisition of Shares*

Purchases or acquisitions of Shares may be made on the SGX-ST (“**Market Purchases**”) and/or otherwise than on the SGX-ST, in accordance with an equal access scheme (as defined in Section 76C(6) of the Companies Act) (“**Off-Market Purchases**”).

Market Purchases refer to purchases or acquisitions of Shares by the Company effected through the SGX-ST’s trading system, through one or more duly licensed stockbrokers appointed by the Company for the purpose.

Off-Market Purchases refer to purchases or acquisitions of Shares by the Company made under an equal access scheme or schemes for the purchase or acquisitions of Shares from Shareholders. The Directors may impose such terms and conditions, which are not inconsistent with the Share Purchase Mandate, the Catalist Rules and the Companies Act, as they consider fit in the interests of the Company in connection with or in relation to an equal access scheme or schemes. Under the Companies Act, an equal access scheme must satisfy all the following conditions:

- (i) offers for the purchase or acquisition of issued shares shall be made to every person who holds issued shares to purchase or acquire the same percentage of their issued shares;
- (ii) all of those persons shall be given a reasonable opportunity to accept the offers made; and
- (iii) the terms of all the offers are the same, except that there shall be disregarded:
 - (aa) differences in consideration attributable to the fact that offers may relate to shares with different accrued dividend entitlements;
 - (bb) (if applicable) differences in consideration attributable to the fact that offers relate to shares with different amounts remaining unpaid; and
 - (cc) differences in the offers introduced solely to ensure that each person is left with a whole number of shares.

LETTER TO SHAREHOLDERS

In addition, the Catalist Rules provide that, in making an Off-Market Purchase in accordance with an equal access scheme, the Company must issue an offer document to all Shareholders, which must contain at least the following information:

- (i) the terms and conditions of the offer;
- (ii) the period and procedures for acceptances;
- (iii) the reasons for the proposed share purchase or acquisition;
- (iv) the consequences, if any, of share purchases or acquisitions by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (v) whether the share purchase or acquisition, if made, could affect the listing of the Shares on the SGX-ST;
- (vi) details of any share purchases or acquisitions made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases), giving the total number of Shares purchased or acquired, the purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases or acquisitions; and
- (vii) whether the Shares purchased or acquired by the Company will be cancelled or kept as treasury shares.

(d) *Maximum Purchase Price*

The purchase price (excluding brokerage, stamp duties, commissions, applicable goods and services tax and other related expenses) to be paid for the Shares will be determined by the Directors.

However, the purchase price to be paid for the Shares must not exceed:

- (i) in the case of a Market Purchase, 105% of the Average Closing Price (as defined below); and
- (ii) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120% of the Average Closing Price (as defined below),

(the “**Maximum Price**”) in either case, excluding related expenses of the purchase.

For the above purposes:

“**Average Closing Price**” means the average of the closing market prices of a Share over the last five Market Days on which transactions in Shares were recorded, immediately preceding the day of the Market Purchase by the Company or, as the case may be, the day of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted for any corporate action that occurs during such five-Market Day period and the day on which the Market Purchase is made or, as the case may be, the day of the making of the offer pursuant to the Off-Market Purchase; and

LETTER TO SHAREHOLDERS

“**day of the making of the offer**” means the day on which the Company announces its intention to make an offer for the purchase or acquisition of Shares from Shareholders, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

2.3 Status of Purchased or Acquired Shares

Any Share which is purchased or acquired by the Company is deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to that Share will expire on such cancellation), unless such Share is held by the Company as a treasury share. At the time of each purchase or acquisition of Shares by the Company, the Directors will decide whether the Shares purchased or acquired will be cancelled or kept as treasury shares, or partly cancelled and partly kept as treasury shares, as the Directors deem fit in the interests of the Company at that time.

(a) *Cancelled Shares*

Where Shares purchased or acquired by the Company are cancelled, the Company shall:

- (i) reduce the amount of its share capital where the Shares were purchased or acquired out of the capital of the Company;
- (ii) reduce the amount of its profits where the Shares were purchased or acquired out of the profits of the Company; or
- (iii) reduce the amount of its share capital and profits proportionately where the Shares were purchased or acquired out of both the capital and the profits of the Company,

by the total amount of the purchase price paid by the Company for the Shares cancelled.

Shares which are cancelled following settlement of their purchase or acquisition will be automatically delisted by the SGX-ST, and certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following such cancellation. The total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company which are cancelled and not held as treasury shares.

(b) *Treasury Shares*

Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the key provisions on treasury shares under the Companies Act are summarised below:

(i) *Maximum Holdings*

The aggregate number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares. Any Shares in excess of this limit shall be disposed of or cancelled in accordance with the applicable provisions of the Companies Act before the end of the period of six months beginning with the day on which that contravention occurs, or such further period as the Registrar may allow.

LETTER TO SHAREHOLDERS

(ii) *Voting and Other Rights*

The Company shall not exercise any right in respect of the treasury shares and any purported exercise of such a right is void. In particular, the Company will not have the right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution (whether in cash or otherwise) of the Company's assets may be made, to the Company in respect of the treasury shares. However, the allotment of shares as fully paid bonus shares in respect of the treasury shares is allowed and any Shares allotted as fully paid bonus shares in respect of treasury shares shall be treated for the purposes of the Companies Act as if they were purchased by the Company at the time they were allotted, in circumstances in which Section 76H of the Companies Act applied. Also, a subdivision or consolidation of any treasury share into treasury shares of a greater or smaller number is allowed, so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

(iii) *Disposal and Cancellation*

Where Shares are held as treasury shares, the Company may at any time (but subject always to the Take-over Code):

- (aa) sell the treasury shares for cash;
- (bb) transfer the treasury shares for the purposes of or pursuant to any share scheme, whether for employees, directors or other persons;
- (cc) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (dd) cancel the treasury shares; or
- (ee) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

Under Rule 704(31) of the Catalist Rules, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares (in each case, the "**usage**"). Such announcement must include details such as the date of the usage, the purpose of the usage, the number of treasury shares comprised in the usage, the number of treasury shares before and after the usage, the percentage of the number of treasury shares comprised in the usage against the total number of issued shares (of the same class as the treasury shares) which are listed on the Catalist before and after the usage, and the value of the treasury shares if they are used for a sale or transfer or cancelled.

LETTER TO SHAREHOLDERS

2.4 Source of Funds

The Company may only apply funds for the purchase or acquisition of Shares in accordance with the Constitution of the Company and the applicable laws and regulations in Singapore. The Company may not purchase or acquire its Shares for a consideration other than in cash or for settlement otherwise than in accordance with the trading rules of the SGX-ST.

The Companies Act permits the Company to purchase or acquire its Shares out of capital or distributable profits so long as the Company is solvent. For this purpose, the Company is solvent if at the date of payment for the Shares purchased or acquired, the following conditions are satisfied:

- (a) there is no ground on which the Company could be found to be unable to pay its debts;
- (b) if:
 - (i) it is intended to commence winding up of the Company within the period of 12 months immediately after the date of the payment, the Company will be able to pay its debts in full within the period of 12 months after the date of commencement of the winding up; or
 - (ii) it is not intended so to commence winding up, the Company will be able to pay its debts as they fall due during the period of 12 months immediately after the date of the payment; and
- (c) the value of the Company's assets is not less than the value of its liabilities (including contingent liabilities) and will not, after the purchase or acquisition of Shares, become less than the value of its liabilities (including contingent liabilities).

The Company intends to use internal sources of funds or external borrowings, or a combination of internal resources and external borrowings, to finance the purchase or acquisition of Shares pursuant to the Share Purchase Mandate. However, in considering the option of external borrowing, the Directors will consider particularly the prevailing gearing level of the Company and the costs of such financing. The Directors will only make purchases or acquisitions of Shares in circumstances which they believe will not result in any material adverse effect on the financial position, working capital requirements or investment ability of the Company or the Group. The purchase or acquisition of Shares will only be effected after considering relevant factors such as the working capital requirements, availability of financial resources, the expansion and investment plans of the Group and the prevailing market conditions.

2.5 Financial Effects

It is not possible for the Company to realistically calculate or quantify the impact of purchases that may be made pursuant to the proposed Share Purchase Mandate on the net tangible asset value or earnings per Share as the resultant effect would depend on factors such as the aggregate number of Shares purchased, the purchase prices paid at the relevant times, whether the Shares purchased or acquired are held in treasury or immediately cancelled on purchase or acquisition, whether the purchase or acquisition is made out of profits or capital, how the Shares held in treasury are subsequently dealt with by the Company in accordance with Section 76K of the Companies Act, and the amounts (if any) borrowed by the Company to fund the purchases.

LETTER TO SHAREHOLDERS

Where the purchase of Shares is made out of distributable profits, such purchase (including costs incidental to the purchase) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the purchase of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

Where the purchase of Shares is financed through internal resources, it will reduce the cash reserves of the Group and the Company, and thus the current assets and shareholders' funds of the Group and the Company. This will result in an increase in the gearing ratios of the Group and the Company and a decline in the current ratios of the Group and the Company. The actual impact on the gearing and current ratios will depend on the number of Shares purchased or acquired and the prices at which the Shares are purchased or acquired.

Where the purchase or acquisition of Shares is financed through external borrowings or financing, there would be an increase in the gearing ratios of the Group and the Company, and a decline in the current ratios and shareholders' funds of the Group and the Company, with the actual impact dependent on the number of Shares purchased or acquired and the prices at which the Shares are purchased or acquired.

The Company does not envisage the purchase or acquisition of Shares by way of purchases made out of profits pursuant to the Share Purchase Mandate. Therefore, only the financial effects of the purchase or acquisition of Shares by way of purchases made out of capital pursuant to the Share Purchase Mandate are set out in this Circular.

For illustrative purposes only and on the basis of the following assumptions:

- (a) that the purchase or acquisition by the Company of Shares was made on the Latest Practicable Date;
- (b) that (i) in the case of the purchase or acquisition of Shares made entirely out of capital, the Company purchased or acquired 14,980,000 Shares, representing 7% of its issued Shares (excluding treasury shares and subsidiary holdings) as at the Latest Practicable Date, and (ii) in the case of the purchase or acquisition of Shares made entirely out of profits, the Company purchased or acquired 14,980,000 Shares, representing 7% of its issued Shares (excluding treasury shares and subsidiary holdings) as at the Latest Practicable Date;
- (c) that (i) in the case of Market Purchases, the Company purchased or acquired Shares at the Maximum Price of S\$0.1419 for each Share (being 105% of the Average Closing Price of the Shares for the five Market Days on which transactions in the Shares were recorded immediately preceding the Latest Practicable Date), and (ii) in the case of Off-Market Purchases, the Company purchased or acquired Shares at the Maximum Price of S\$0.1622 for each Share (being 120% of the Average Closing Price of the Shares for the five Market Days on which transactions in the Shares were recorded immediately preceding the Latest Practicable Date);
- (d) that the purchase or acquisition of Shares by the Company was financed entirely using its internal sources of funds and required funds amounting to:
 - (i) in the case of Market Purchases made entirely out of capital, S\$2,125,662; and

LETTER TO SHAREHOLDERS

(ii) in the case of Off-Market Purchases made entirely out of capital, S\$2,429,756; and

(e) the transaction costs incurred for the purchase or acquisition of Shares pursuant to the Share Purchase Mandate are insignificant and have not been taken into account in computing the financial effects,

the financial effects of Share purchases by the Company pursuant to the Share Purchase Mandate on the audited consolidated financial statements of the Group for FY2023, are set out below.

Shareholders should note that the financial effects set out above are purely for illustrative purposes only. In particular, it is important to note that the above analysis is based on historical FY2023 audited numbers and is not necessarily reflective of the future financial performance of the Company and the Group. Although the Share Purchase Mandate would authorise the Company to purchase or acquire up to 7% of the issued Shares (excluding treasury shares and subsidiary holdings), the Company may not purchase or acquire or be able to purchase or acquire 7% of the issued Shares in full. In addition, the Company may cancel all or part of the Shares purchased, or hold all or part of the Shares purchased in treasury.

The Company will take into account both financial and non-financial factors (for example, share market conditions and the performance of the Shares) in assessing the relative impact of a Share purchase before execution.

LETTER TO SHAREHOLDERS

2.6 Catalyst Rules

Under the Catalyst Rules, a listed company may purchase shares by way of Market Purchases at a price per share which is not more than 5% above the average of the closing market prices of the shares over the last five Market Days, on which transactions in the shares were recorded, before the day on which the purchases were made and deemed to be adjusted for any corporate action that occurs during the relevant five-day period and the day on which the purchases were made. The Maximum Price for a Share in relation to Market Purchases by the Company, referred to in Section 2.2(d) of this Circular, conforms to this restriction.

The Catalyst Rules specify that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m. (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares and (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer. Such announcement must include details of the date of the purchases of the shares, the total number of shares purchased, the number of shares cancelled, the number of shares held as treasury shares, the purchase price per share or the highest and lowest prices paid for such shares (as applicable), the total consideration (including stamp duties and clearing charges) paid or payable for the shares, the cumulative number of shares purchased, the number of issued shares excluding treasury shares and subsidiary holdings, and the number of treasury shares held after the purchase. Such announcement will be made in the form prescribed by the Catalyst Rules.

While the Catalyst Rules do not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the proposed Share Purchase Mandate at any time after a price sensitive development has occurred or has been the subject of a decision until the price sensitive information has been publicly announced. In particular, in compliance with Rule 1204(19)(c) of the Catalyst Rules on securities dealings, the Company will not purchase or acquire any Shares during the period of one month before the announcement of the Company’s half-year and full-year financial statements, as the case may be, and ending on the date of announcement of the relevant financial statements.

The Company does not have any individual shareholding limit or foreign shareholding limit.

2.7 Listing Status on the SGX-ST

The Company is required under Rule 723 of the Catalyst Rules to ensure that at least 10% of its issued Shares (excluding preference shares, convertible equity securities and treasury shares) are in the hands of the public. The “**public**”, as defined in the Catalyst Rules, are persons other than the Directors, Chief Executive Officer, substantial shareholders and controlling shareholders of the Company and its subsidiaries, as well as the associates (as defined in the Catalyst Rules) of such persons.

As at the Latest Practicable Date, there were approximately 41,204,327 issued Shares in the hands of the public (as defined above), representing approximately 19.25% of the total number of issued Shares of the Company. Assuming that the Company purchases its Shares through Market Purchases up to the full 7% limit pursuant to the Share Purchase Mandate and holds the purchased Shares as treasury shares, the number of issued Shares

LETTER TO SHAREHOLDERS

in the hands of the public would be reduced to 26,224,327 Shares, representing approximately 13.18% of the total number of issued Shares (excluding treasury shares) of the Company. As at the Latest Practicable Date, the Company did not hold any treasury shares and did not have any preference shares or convertible equity securities.

In view of the foregoing, the Company is of the view that there is, at present, a sufficient number of Shares in public hands that would permit the Company to potentially undertake purchases of its Shares through Market Purchases up to the full 10% limit pursuant to the Share Purchase Mandate without:

- (a) affecting adversely the listing status of the Shares on the SGX-ST;
- (b) causing market illiquidity; or
- (c) affecting adversely the orderly trading of Shares.

2.8 Tax Implications

When a company purchases its own shares using its distributed profits or contributed capital, it will be regarded as any other disposal of shares by the shareholders from whom the shares are acquired.

For income tax purposes, whether or not the proceeds received by the Shareholders are taxable in the hands of the Shareholders who sell their Shares to the Company for which the purchases were made out of distributed profits or contributed capital will depend on whether such proceeds are receipts of an income or capital nature.

Shareholders should note that the foregoing is not to be regarded as advice on the tax position of any Shareholder. Shareholders who are in doubt as to their respective tax positions or the tax implications of Share purchases by the Company, or, who may be subject to tax whether in or outside Singapore, should consult their own professional advisers.

2.9 Implications of Take-over Code

2.9.1 Obligation to Make a Take-over Offer

If as a result of any purchase or acquisition by the Company of its Shares, a Shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of the Take-over Code. If such increase results in a change in control, or as a result of such increase a Shareholder or group of Shareholders acting in concert obtain or consolidate effective control, it may in certain circumstances give rise to an obligation on the part of such Shareholder or Shareholders to make a take-over offer under Rule 14 of the Take-over Code.

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 after a purchase of Shares by the Company are set out in Appendix 2 ("**TOC Appendix 2**") of the Take-over Code.

In relation to Directors and persons acting in concert with them, Rule 14 provides that unless exempted (or if exempted, such exemption is subsequently revoked), Directors and

LETTER TO SHAREHOLDERS

persons acting in concert with them will incur an obligation to make a take-over offer if, as a result of a purchase of Shares by the Company:

- (a) the percentage of voting rights held by such Directors and their concert parties in the Company increases to 30% or more; or
- (b) if they together hold between 30% and 50% of the Company's voting rights, their voting rights increase by more than 1% in any period of six months.

Under TOC Appendix 2, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Purchase Mandate.

2.9.2 Persons Acting in Concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal) co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company. Unless the contrary is established, the following persons will, *inter alia*, be presumed to be acting in concert: (i) a company with any of its directors, together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts; and (ii) a company, its parent company, subsidiaries and fellow subsidiaries, and their associated companies, and companies of which such companies are associated companies, all with each other. For this purpose, ownership or control of at least 20% but not more than 50% of the voting rights of a company will be regarded as the test of associated company status.

2.9.3 Effect of Rule 14 and Appendix 2 of the Take-over Code

As at the Latest Practicable Date, Mr Ong Bee Chip (Managing Director of the Company), Mdm Ong Chew Yong (Executive Director of the Company, and sister of Mr Ong Bee Chip), Mr Ong Bee Song (brother of Mr Ong Bee Chip and Mdm Ong Chew Yong), BCS Development Pte. Ltd. (a company which is owned by Mr Ong Bee Chip (50.0%), Mr Ong Bee Song (33.3%) and Mdm Ong Chew Yong (16.7%)) and their close relatives, who are deemed to be acting in concert with each other, collectively held 80.75% of the issued Shares. "**Close relatives**" is defined under the Take-over Code to include immediate family (i.e. parents, siblings, spouse and children), siblings of parents (i.e. uncles and aunts) as well as their children (i.e. cousins), and children of siblings (i.e. nephews and nieces). They would not be obliged to make a take-over offer under Rule 14 of the Take-over Code as a result of any purchase or acquisition of Shares by the Company pursuant to the Share Purchase Mandate.

Li Huanwen	191,500	0.089
Total	343,500	0.161

The statements herein do not purport to be a comprehensive or exhaustive description of all implications that may arise under the Take-over Code. Shareholders who are in any doubt as to whether they would incur any obligation to make a take-over offer as a result of any purchase of Shares by the Company pursuant to the Share Purchase Mandate are advised to consult their professional advisers and/or the SIC and/or other relevant authorities at the earliest opportunity before they acquire any Shares during the period when the Share Purchase Mandate is in force.
