Net Profit	0.95	2.88	(66.9)

SINGAPORE, 14 February 2022 – **OTS Holdings Limited (“OTS Holdings” or the “Company”, and together with its subsidiaries, the “Group”)**, a brand builder and food manufacturing group, has announced its first half financial results for the six-month period ended 31 December 2021 (“1H2022”).

Revenue of approximately \$18.74 million registered in 1H2022: The Group registered lower revenue in 1H2022 as compared to 1H2021, mainly due to the decrease in sales from the Group’s business segments of General Trade, Food Services and Others, which was due to reasons as follows:

- General Trade: Lower product sales in Malaysia as a result of weaker consumers’ spending power
- Food Services: Absence of an ad-hoc purchase that was made in the previous reporting period
- Others: Decrease in export sales as consumer sentiment was affected by the prolonged global pandemic

Geographically, revenue from Singapore increased by 3.9% to approximately \$12.77 million, while revenue from Malaysia declined by 35.8% to approximately \$4.83 million in 1H2022.

Revenue by Business Segments

Revenue by Geographical Markets

The Group’s business segments continue to be profitable with net cash of approximately \$1.22 million generated from operating activities in 1H2022: While revenue contribution from the Group’s four business segments may vary from year to year, all business segments continue to remain profitable in 1H2022.

Corresponding to lower sales in 1H2022, the Group’s production output was also reduced and with lower economies of scale, the Group’s gross profit margin dipped by 3.8 percentage points from 31.5% in 1H2021 to 27.7% in 1H2022.

Overall, the Group registered a net profit of approximately \$0.95 million in 1H2022.

During 1H2022, the Group generated net cash from operating activities of approximately \$1.22 million. As at 31 December 2021, the Group has cash and cash equivalents of approximately \$9.31 million.

Healthy balance sheet with total assets of approximately \$40.07 million as at 31 December 2021: The Group’s total assets comprised current assets of approximately \$24.98 million and non-current assets of approximately \$15.09 million. The Group’s total equity stood at approximately \$29.12 million as at the end of December 2021.

The Group’s total liabilities decreased by 29.6% to approximately \$10.95 million as loans and borrowings were pared down during 1H2022. The Group’s total liabilities comprise current liabilities of approximately \$6.17 million and non-current liabilities of approximately \$4.78 million as at 31 December 2021.

**PRESERVING TRADITIONS,
INSPIRING GENERATIONS**

Commenting on the Group's financial performance for 1H2022, Managing Director of OTS Holdings, Mr. Ong Bee Chip said: *"While there was some weakness in consumer sentiments in our overseas markets due to the prolonged pandemic, we are continuing our efforts to expand our market presence in existing and new markets as we see good opportunities on the horizon.*

In addition, we are proactively taking new measures to improve our operations and cost competitiveness. As brand owners, these are significant steps in positioning our business on a firm footing to drive long-term value creation for all our stakeholders."

CONTINUAL FOCUS ON NEW GROWTH INITIATIVES

As highlighted previously, the Group's in-house research and development team has been developing plant-based food products, such as plant-based canned luncheon meat, to cater to a growing demand for plant-based food products. Barring unforeseen circumstances, the Group intends to launch its new plant-based food products by the first half of 2022.

Domestically, the Group continues to market different brands to target different consumer price points across various sale channels and strengthen its presence in Singapore.

For Malaysia, the Group is continuing its efforts in brand building and expanding its market presence. At the same time, the Group aims to increase the sales of non-house brand products to expand its revenue base via its established distribution network across Malaysia.

For other overseas markets, the Group will continue to focus on building its brand presence and expand its products offerings in targeted regional markets.
